

Billings Status Report as of July 23, 2004

The National Data Warehouse Initial Data Load began in Billings as scheduled. Data is being processed for Browning and Crow, and we continue to receive data for Billings sites.

The data load schedule for Billings has been posted as follows:

Begin Load Date	Facility
7/19/04	Browning Hospital
7/26/04	Crow Hospital
8/02/04	Lame Deer Health Center
8/09/04	Harlem Hospital
8/16/04	Poplar Health Center
8/23/04	Ft. Washak health Center
8/30/04	Flat Head Tribal Clinic
9/07/04	Rocky Boy Health Center

We anticipate having all extracts transmitted to the NDW by September 17, 2004.
